1. Any claim for adjustment shall be unconditionally waived unless: (i) asserted in writing and delivered to Buyer within fifteen (15) days of the date of the written change order and (ii) a fully supported proposal is delivered to Buyer within thirty (30) days of the date of the written change order.

Each of the parties knowingly, voluntarily and irrevocably submits to the exclusive jurisdiction of each such court in any such action or proceeding and waives any objection it may now or hereafter have to venue or to convenience of forum. Any claim against Buyer shall be barred unless Seller has requested that it be resolved in accordance with this Article within one year of the date the dispute arose, which shall be the effective date of termination if the dispute is related to termination.

In accordance with Buyer's instructions, Seller shall assign to Buyer all right, title, and interest of Seller under the subcontracts of Seller that are terminated, in which case Buyer shall have the right to settle or to pay any termination settlement proposal arising out of those terminations. With approval or ratification to the extent required by Buyer, Seller shall settle all outstanding liabilities and termination settlement proposals arising from the termination of Seller's subcontracts; the approval or ratification will be final for purposes of this clause.

C. Seller shall submit a termination settlement proposal within thirty (30) days after the effective date of the termination notice incorporating all claims of Seller in the form and with the certification prescribed by Buyer. Seller and Buyer may agree upon the whole or any part of the amount to be paid because of the termination and the Order shall be amended and Seller paid the agreed amount. In no event shall payment to Seller exceed the total Order price as reduced by the amount of payments previously made and the Order price of work not terminated. The cost principles and procedures of FAR Part 31, in effect on the date of this Order, shall govern all costs claimed, agreed to, or determined under this clause.

D. Unless otherwise provided in this Order, Seller shall maintain all records and documents relating to the terminated portion of this Order for three (3) years after final settlement. This includes all books and other evidence bearing on Seller's costs and expenses under this Order. Seller shall make these records and documents available to Buyer, at Seller's office, at all reasonable times, without any direct charge.

E. All Inventions resulting from the Works shall be the sole property of Buyer. Buyer shall have the full right to use such Inventions in any manner without any claim on the part of Seller and without any duty to account to Seller for such use. Seller agrees to assign to Buyer any patent or patent application resulting from work performed under this Order, and to provide reasonable support for Buyer's prosecution of such patent application. With respect to copyrightable Works, Buyer and Seller agree that any such works which qualify as commissioned works under the Copyright Act are considered "works made for hire" with copyright ownership in Buyer; otherwise, Seller agrees to assign, and does hereby assign copyright ownership of the works to Buyer. Seller shall not, unless otherwise authorized in writing by Buyer, disclose to anyone other than Buyer any Inventions or other Data developed under this Order, or any information disclosed to Seller by Buyer and shall not use such Inventions or information for any purpose other than the performance of this Order. Such Inventions and information shall be considered Buyer Proprietary Information and marked as such by Seller.

F. Seller shall not include any Background Intellectual Property or any third-party Intellectual Property in any Intellectual Property delivered or provided hereunder without the express written consent of Buyer. Seller hereby grants, and agrees to grant to Buyer an unlimited, irrevocable, paid-

up, royalty-free right and license to make, have made, sell, offer for sale, use, execute, reproduce, display, perform, distribute (internally or externally) copies of, and prepare derivative works of any Background Intellectual Property hereunder owned by Seller therein.

G. This Order does not confer or grant, in any manner whatsoever, any license or right under any patent, trademark, trade secret, mask work, copyright or other intellectual property right held by Buyer, unless specifically set forth in the body of the Order.

H. If requested by Buyer at any time before closeout of this Order, Seller shall deposit, at Buyer's expense, copies of all information, such as manuals, computer programs/software, specifications, designs, drawings, procedures, and processes, whether or not copyrightable or patentable, which are necessary and sufficient to permit Buyer to make, have made, use, test, qualify, operate, install, integrate, sell, offer for sale and maintain the deliverables under this Order ("Required IP"), with a mutually acceptable escrow agent. The terms of such escrow arrangement shall be set forth in a mutually agreed upon escrow agreement ("Escrow Agreement"), including, without limitation, appropriate confidentiality provisions, provided, however, that such Escrow Agreement shall contain the Release Conditions as hereinafter defined.

I. Buyer shall be entitled to receive a copy of Required IP; and Seller hereby grants to Buyer a nonexclusive, irrevocable, royalty free, worldwide nontransferable right and license to copy, use, modify or create derivatives of the Required IP to make, have made, use, test, qualify, operate, install, integrate, sell, offer for sale, maintain, upgrade and repair the deliverables if, and only if: Seller ceases doing business in the ordinary course; Seller becomes a party to any bankruptcy or receivership proceedings which are not dismissed within sixty (60) days; or Seller fails to meet the delivery schedule of associated with this Order as to be in default of this Order (after passage of any cure periods) ((A), (C) and (D) of this sentence are, collectively, the "Release Conditions").

J. Buyer shall have the right to identify any item not included in the Required IP and request that it be added to the Required IP (either by addition to the escrow or, if the Required IP has been released to Buyer, directly to Buyer) in order for Buyer to exercise its rights and licenses hereunder. Seller shall, from time to time, update, the Required IP as deemed necessary by Seller to include all Required IP necessary for Buyer to exercise the license.

K. Nothing in this clause shall modify or alter any rights that the U.S. Government may have in any products and/or Services, including Data or software deliverables to the U.S. Government.

B. Seller shall indemnify, defend, and hold harmless Buyer, its directors, officers, employees, consultants, agents, affiliates, successors, permitted assigns and customers ("Indemnitees") from and against all claims, suits, actions, awards (including, but not limited to, awards based on intentional infringement of patents known at the time of such infringement, exceeding actual damages and/or including attorney's fees and/or costs), liabilities, damages, costs and attorney's fees related to the actual or alleged infringement of any U.S. or foreign intellectual property right (including, but not limited to, any right in a patent, copyright, industrial design or semiconductor mask work, or based on misappropriation or wrongful use of information or documents) and arising out of the performance of Seller under this Order or the manufacture, sale or use of Products delivered by Seller under this Order, or the provision of Services by Seller under this Order, by either Buyer or Buyer's customer ("Infringement Claims"). Buyer and/or its customer will duly notify Seller of any such Infringement Claim and Seller will, at its own expense, fully defend such Infringement Claim on behalf of the Indemnitees. Seller will have no obligation under this clause with regard to any infringement arising from (a) the compliance of Seller's new Product design with formal specifications issued by Buyer where infringement could not be avoided in complying with such specifications or (b) use or sale of Products for other than their intended application in combination with other items when such infringement would not have occurred from the use or sale of those Products solely for the purpose for which they were designed or sold by Seller.

C. If the manufacture, use or sale of a Product delivered by Seller under this Order is likely to be or is enjoined as a result of a suit, Seller, at no expense to Buyer, shall obtain for Buyer and its customer the right to use and sell the Product or shall substitute an equivalent Product acceptable to Buyer, at its sole discretion, and extend this indemnification thereto.

D. Notwithstanding the foregoing, when this Order is performed under the authorization and consent of the U.S. Government to infringe U.S. Patents, Seller's liability for U.S. patent infringement under this Order shall be coextensive with Buyer's liability.

E. For purposes only of this clause and clause 14 below, the term "Buyer" will include Buyer and all of its subsidiaries and affiliates, and all directors, officers, agents and employees of Buyer and all of its subsidiaries and affiliates (the "Indemnitees").

Seller also agrees to indemnify, defend, and hold harmless the Indemnitees from and against all costs, losses, expenses, damages, claims, suits, or any liability whatsoever (including attorneys' fees), arising out of or in connection with Seller's violation of any applicable laws, executive order or regulation. Buyer will inform Seller of any claim, demand or suit asserted or instituted against it and, to the extent of Buyer's ability to do so, permit Seller to defend the same or make settlement in respect thereof. If Seller fails to indemnify, defend, and hold harmless Buyer as provided in this clause, then Seller shall pay for any damages, attorney's fees, and any other fees,

B. Seller will name Buyer as an additional insured under all liability policies required under this Order, will provide Buyer certificate(s) of insurance and thirty (30) days prior written notice of cancellation or material change of any such coverage. Acceptance of such evidence by Buyer shall not be deemed a waiver or release of such liabilities or Seller's duty to indemnify.

C. Renewal insurance certificates, if applicable, shall be provided to Buyer at least thirty (30) days prior to the expiration date of the insurance under each required coverage.

15. Furnished Property

A. Title to all property furnished to Seller by Buyer or paid for by Buyer shall remain with Buyer. After such period, if it has not been located, the property shall be deemed "lost" and at Buyer's election, Seller shall either reimburse Buyer for the replacement and all related delay costs, or remake the lost property at no cost to Buyer.

C. Seller shall return all such property in a condition as good as when received except for reasonable wear and tear. Seller shall establish and maintain a property control system approved by Buyer. Notwithstanding Buyer's right to audit in paragraph (A) above, all Goods and Services supplied under this Order shall be received subject to Buyer's right of inspection, count, testing, acceptance and/or rejection per the technical specifications. Payment for Goods and/or Services delivered hereunder shall not constitute acceptance thereof, and all payments against documents shall be made with a reservation of rights by Buyer for defects in Goods and/or Services, including, without limitation, defects apparent on the face thereof. The making of, or failure to make, any inspection

or acceptance of the Goods or Services shall in no way impair Buyer's right to reject nonconforming Goods or Services or to avail Buyer of any other remedies to which it may be entitled.

D. Seller certifies that it shall provide and maintain quality control, inspection, and process control systems in accordance with Buyer's **MM03 Supplier Requirements Manual (unless an alternative manual is identified on the face of the Order)**, and other quality requirements as specified. The foregoing warranties shall survive inspection and acceptance of, and payment for, the Product(s) delivered and Service(s) performed hereunder and shall remain in effect as to each Product furnished or Service performed and shall run to Buyer, its successors, assigns, and customers. These warranties shall not be deemed to limit any warranties of additional scope given to Buyer by Seller, nor limit Buyer's rights or Seller's obligations under any other provision of this Order, at law or in equity. No warranties are waived by Buyer supplying, reviewing, commenting upon, or approving plans, specifications, or Data, issuing changes to this Order, or inspecting or accepting the Product(s) or Service(s).

B. If a SWO issued under this clause is canceled or the period of that SWO or any extension thereof expires, Seller shall resume work. Buyer shall make an equitable adjustment in the delivery schedule or Order price, or both, and this Order shall be modified in writing accordingly if (1) the SWO results in an increase in the time required for, or in Seller's cost properly allocable to, the performance of any part of this Order; and (2) Seller asserts its rights to the adjustment within twenty (20) days after the end of the period of work stoppage.

C. If a SWO is not canceled and the work covered by the SWO is terminated for the convenience of Buyer, Buyer shall allow reasonable costs resulting from the SWO in arriving at the termination settlement. If a SWO is not canceled and the work covered by the order is terminated for default, Buyer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the SWO.

1. FAR 52.203-11 Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions (Applicable to solicitations and contracts the threshold specified in FAR 3.808 on the date of subcontract award)

(a) Definitions. As used in this provision--

"Lobbying contact" has the meaning provided at 2 U.S.C. 1602(8).

The terms "agency," "influencing or attempting to influence," "officer or employee of an agency," "person," "reasonable compensation," and "regularly employed" are defined in the FAR clause of this solicitation entitled "Limitation on Payments to Influence Certain Federal Transactions" (52.203-12).

(b) Prohibition. The prohibition and exceptions contained in the FAR clause of this solicitation entitled "Limitation on Payments to Influence Certain Federal Transactions" (52.203-12) are hereby incorporated by reference in this provision.

(c) Certification. Seller hereby certifies to the best of its knowledge and belief that no Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on its behalf in connection with the awarding of this contract.

(d) Disclosure. If any registrants under the Lobbying Disclosure Act of 1995 have made a lobbying contact on behalf of the offeror with respect to this contract, Seller shall complete and submit, with its offer, to Buyer OMB Standard Form LLL, Disclosure of Lobbying Activities, to provide the name of the registrants. Seller need not report regularly employed officers or employees of the offeror to whom payments of reasonable compensation were made.

(e) Penalty. Submission of this certification and disclosure is a prerequisite for making or entering into this contract imposed by 31 U.S.C. 1352. Any person who makes an expenditure prohibited under this provision or who fails to file or amend the disclosure required to be filed or amended by this provision, shall be subject to a civil penalty of not less than \$10,000, and not more than \$100,000, for each such failure.

2. FAR 52.209-5 Certification Regarding Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters

KEEL GT-1: General Provisions for US Government Contracts/Purchase Orders

(a)(1) Seller certifies, to the best of its knowledge and belief, that--

(i) Seller and/or any of its Principals--

(A) Are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(C) Are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subdivision (a)(1)(i)(B) of this provision; and

(ii) Seller has not, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(D) Have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples. (i) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(2) Principal, for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division, or business segment; and similar positions).

(b) Seller shall provide immediate written notice to Buyer if, at any time prior to contract award, Seller learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that Seller knowingly rendered an erroneous certification, in addition to other remedies available, Buyer may terminate this contract for default.

3. FAR 52.222-22 Previous Contracts and Compliance Reports

(a) Seller represents that if Seller has participated in a previous contract or subcontract subject to the Equal Opportunity clause (FAR 52.222-26): (1) Seller has filed all required compliance reports and (2) that representations indicating submission of required compliance reports, signed by proposed subcontractors, will be obtained before subcontract awards.

(b) Paragraph (a) applies only to the extent (1) Seller performs work in the United States, or (2) recruits employees in the United States to Work on this Contract.

KEEL GT-1: General Provisions for US Government Contracts/Purchase Orders

4. FAR 52.222-25 Affirmative Action Compliance

(b) Paragraph (a) applies only to the extent (1) Seller performs work in the United States, or (2) recruits employees in the United States to Work on this Contract.
